# Water

Electromagnetic Flowmeters

Pipe Inspection Camera

Mechanical Flowmeters

Bathymetry System

Portable Turbidity Meters

Portable Meters for Organic Analysis in the Field

Multiparameter Colorimeters

Multiparameter Systems for Water Quality Testing

Submersible Level Transducer

Interface Meters

Telemetry Systems

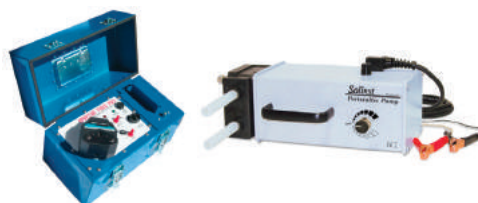

Water Level Indicators

Automatic Water Samplers

Pumps

Water Samplers

Sampling Dredges

Sludge Interface Detectors

pH electrodes

Levellogger and accessories

# Air

Portable Photoionization Detectors (PID)

Air Quality Meters

Combustion Analyzers

Portable Particulate Monitors

Outdoor Hi-Volume Air Samplers

Aspirating Pump for Gas Detector Tubes

Particle Counters

Thermo-Anemometers

Thermo-Hygrometers

# Soil & Agriculture

Soil Nitrate Quick Test Kits

Hydrocarbon Test Kit for Soils

Field and Lab Permeameters

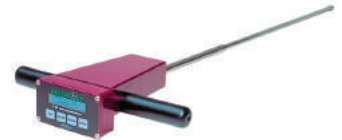

Compost Monitors

Soil Moisture Meters

Soil Compaction Meter

Multi-segment soil profiling probes

pH Meters

Wireless Data Loggers & Soil Moisture Sensors

Soil Sampling Kits

Sieves/Sieve Shakers

Lysimeters

Weather Stations for Agriculture

Vacuum drying chambers and ovens

Compost Thermometers

# Meteorology

Weather Stations  
(Fixed or Portable)

HAZMAT Weather Stations

Pocket Weather Meters

Pyranometers

Rain Gauges

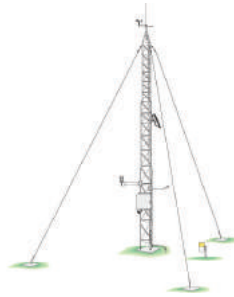

Visibility Sensors

Weather Sensors

Towers

Data Loggers

Automatic Sky Imagers

Thermo-Hygrometers

Lightning Detectors

Barometers / Altimeters

Road Temperature Sensors

# Laboratory

pH Meters and Conductivity Meters

Electronic Pipettes

Laboratory pumps

Microscopes

Incubators

Crushers and Mills

Flocculators

Capillary Suction Time Apparatus

Spectrophotometers

Electronic Balances

Titration

Filter Papers

Glassware

Chemicals

COD Heater Block

Papiers filtres

Moisture Analyzers

# Health & Safety

Sound Level Meters

Light Meters

Gas Detectors

Gas detection controllers

SD card loggers

Radiation Detectors

# Biodiversity

Cages for small animals

GPS and data collectors

Multiparameter probes  
(Chlorophyll, fluorescein, cyanobacteria, etc.)

Nets

Electric fishing system

Wildlife sensors

# Service Department

Our technical service department is made up of qualified technicians who provide full service repair, rental and calibration on most of the products we sell.

Contact us for our rates!

514 354-2511

Below are a few examples:

## Repair

- Water Level Indicators
- pH Meters
- Oxymeters

- Weather Stations
- Pocket PC's

## Calibration

- Electronic Balances
- Gas Detectors
- Ovens and Furnaces

## Rentals

- Several devices available for rent
